## Joint Statement Presidents' Council District 26 & Community Education Council District 26

June 9, 2022

Dear Chancellor Banks:

As parent leaders of District 26, we value and respect your commitment to ensuring every school district in New York City has a strong, impactful superintendent to lead and grow their community through the years ahead.

We truly appreciate and are encouraged by the high level of engagement afforded to parent leadership and the families of District 26 throughout the hiring process. As the feedback from the Town Hall clearly indicates, our community is united in our unwavering support for Superintendent Danielle Giunta. Many families had spoken during the Town Hall, emphasizing their own positive and personal experiences with Superintendent Giunta.

Over the past eight years, her bold and compassionate leadership has brought our district to incredible new heights. She has proven and demonstrated that she has extensive experience in district leadership and invaluable insights into our district's needs and concerns. Superintendent Giunta continues to provide stability and support to our District 26 families while maintaining high academic standards for our students. She is a cherished asset, and it would be an enormous loss to our community to not have Superintendent Giunta leading our thriving district. Our most sincere wish is for her to continue as our beloved superintendent.

In partnership and continued excellence,

***Presidents' Council District 26 and Community Education Council District 26***

*Cathy Grodsky & Albert Suhu, President*

*CEC26 Members: Dennis Chan, Todd Friedman, Sulinda Hong, Taeho Hwang,  
Dilip Nath, Norman Cohn, Jennifer Catherall & Cassandra Louie*

***Voted and approved by CEC26 on June 9, 2022, meeting.***
